Notice of Warning: There is a potential risk of injury involved in training or participating in the sport of water polo. Ontario Water Polo (OWP) and its members have tried to create a safe and controlled environment for participation. OWP has established rules for participation and conduct on and about the playing area that should be followed. Some hazards which may lead to catastrophic situations are: slips on the pool deck or surrounding area, chlorine leaks, ball injuries and personal body contact injuries, etc. As per the *Personal Information Protection and Electronic Documents Act*, I give permission to Hamilton Aquatic Water Polo Club to enter the required personal information on the Water Polo Canada database which is managed by "Hamilton Aquatic Water Polo Club" (in order to register for liability insurance, a condition of the Hamilton Aquatic Water Polo Club Contracts with area pools). My child and I have read, understood and agree to comply with the Hamilton Aquatic Water Polo Club Code of Conduct (available at www.hamiltonwaterpolo.ca).

**VOLUNTEER
COMMITMENT**

To keep club fees as low as possible, each athlete family will be expected to volunteer within the Club in some capacity. A list of volunteer opportunities for parents will be available. All Competitive athletes will be expected to volunteer with the Novice house league operations, either operating clocks or as referees (training will be provided). Parents of Novice athletes are encouraged to volunteer as coaches with their child's team or with other activities in the Club. We can find a fit for everyone!

Our family has read and understood the agreement for Volunteer Commitment for the current water polo season, and agrees that our family will assist when asked.
